

## Grammar Lab Day Routines & Expectations:

1. **PRACTICE** makes **PROGRESS!** No one is ever good at anything the first time they try it. Developing a skill takes **PRACTICE** and a **CAN DO** attitude.
2. I will **EXPECT** that you put your all—your focus, your concentration, your best effort—into each group and independent practice activity.
3. Once we begin assessments, no talking until everyone has completed the assessments. When you finish, I'll expect you to sit quietly and work quietly until everyone is done. (READ!) If you disrupt anyone's focus, you'll forfeit your points for the day. **If your phone is out, you'll forfeit your points for the day.**
4. If you leave the classroom without completing any of the assessments, **it's like turning in a paper quiz with no answers on it.** If you don't finish, you **MUST** come back at the end of the day to finish **THAT DAY'S** assessment.
