5 Images: A Day in the Life

Locate and share 5 images related to your job shadow. These images will be utilized in your job shadow journal and/or presentation. Each column below represents one career. Set up your document like this.
The images must include:

**1. The business logo for the business you shadowed**

2.   A photo of the BUSINESS/Building from Google images or Google Streetview

3.   One other photo from Google Image search of the Business Name

4.   One photo of an employee in your job shadow field WORKING

5.   One photo of an important "tool of the trade" for that career
