My Scores on 9/27/18

My Goal score when/if I take it for real

Reading

English

Math

Science

Add all 4 and divide by 4 to get

My Composite Score

Highest score is 36. West Central's 207-18 average was 22.8; the state average is 21.9. We have ranked in the top 5 or top 10 schools in the state for ACT scores many times in years past.

Students are placed into remedial English and Math courses at all of South Dakota's public universities based on their ACT English and Math scores. Many of the private schools follow the same policy. **All** of the tech schools have their own entrance test (the Accuplacer) also based on English and Math skills. At South Dakota's public universities, students with ACT English scores below **18** and/or Math scores below **20** are placed in remedial classes. USD's requirement is actually **21** in English and **23** in math to avoid remedial classes. Each year approximately 30% of entering freshmen in South Dakota universities have to take remedial classes. There are 2 important things to remember. First, a remedial course costs approximately \$800, an additional expense for students who are unable to begin taking general ed coursework at the start of college. Second, remedial courses extend the amount of time it takes to earn a degree because they don't count towards a degree. Bottom line? **PREPARE** for the ACT and find out what the school you are considering requires for scores. With regular practice, you **CAN** improve your ACT scores! How?

- 1. Take ACT prep class 2nd semester**
- 2. ACT prep course—5 nights over 5 weeks here**
- 3. SDMyLife free online course--Method Test Prep**
- 4. www.studyguidezone.com**
- 5. Download review apps on your phone!**

Reminders:

**Set up an account at www.act.org. You will register and pay for the test, print your admission ticket, and learn more about the test here.

**Find out what your future school or specific major requires!

Check registration deadlines and **REGISTER EARLY as West Central seats fill up!

My **highest** section score was on the _____ subtest.

My **lowest** section score was on the _____ subtest.

Remedial coursework is required for students whose English score is **lower than 18** and whose Math score is **lower than 20**.

My English score=_____, so at this point I **would/would** not need to take a remedial class before being allowed to take a college English class.

My Math score=_____, so at this point I **would/would** not need to take a remedial class before being allowed to take a college Math class.

I am planning to take the ACT for REAL:

____ October 27, 2018 (I'd already have to be registered!)

____ December 8, 2018

____ February 9, 2019

____ April 13, 2019

____ June 8, 2019

____ I don't plan to take the ACT

____ I'm planning to go to a vo-tech school, so I'll have to take the Accuplacer

____ I'm planning to join the military so, I'll take the ASVAB at West Central in December.

Two strategies that are part of my plan for working to improve my standardized test scores are:

1.

2.
