

Intro to ACT Reading

There are four reading passages of about 800 words each, always in this order:

1. —covers short stories and novels
2. —covers history, geography, politics, biography, education, etc
3. —covers the arts, languages, music, philosophy, theater
4. —covers biology, chemistry, physics, medicine, anatomy, geology, etc.

On the ACT Reading test, you have only _____ minutes to answer _____ questions.

There are _____ questions on each passage.

The best way to determine which categories you tend to ace is through repeated _____ tests.

Bubbling: Work a page at a time on English and Math and a passage at a time on _____ and _____. Circle your answers right on the booklet.

35 minutes to read passage and answer 40 questions=approximately _____ minutes for each passage.

If you take 2 to 3 minutes to read each passage, you'll have _____ seconds to answer each question. Think of the test as FOUR _____ minute units and try to complete all questions in that tie.

Tips:

1. Don't pre-_____ the questions
2. Answer the easier questions _____ —-those with line references to tell you where the answer is
3. _____ as much as possibly between now and test time to build stamina
4. Always read the _____ at the top of each passage to understand what it's about!
5. Always answer all the questions for one _____ before moving on to another.

Now, jot down 2 or 3 important takeaways for each video:
