In **AT LEAST 3 SENTENCES**, comment on this statement from the article: “There are fewer shared experiences...an entire generation that can go online and find legions of humans..with similar interests but that barely knows how to connect to one another in the physical world. Friends, sitting around screens, not talking.” How have you experienced this in your own life?

In this article, you read about junior Zac, Leah (One direction), Anthony (avoids distractions), and Bri. In **at least a couple of sentences**, write about who do you most relate to and WHY.
