OVER

13. Look under the black diagram of the 6 Holland Types. List three **characteristics** or **values** or **activities** mentioned in this paragraph that describe your Holland Type. What makes you a _____?

A.

B.

C.

14. Look at the column on the right of the information above. List 3 fields that appeal to your based on your Personality style.

A.

B.

C.

15. Now spend just a few minutes to Explore Careers. Click the Explore Careers button at the bottom of the page under the career icons. Jobs are matched to your Personality Style using

E for Excellent Match
G for Good Match
F for Fair Match
P for Poor Match

One career that really appeals to me based on this search is a _____. This job is rated as a _____ (E, G, F, P) match for my personality style.

16. Return to Dashboard by clicking in upper right corner. Now choose **Mission Complete** activity.

17. Click through the 49 questions use the emojis then click **View My Matches.** This step may take just a moment.

18. On the Explore Careers Page that appears, you may choose a minimum salary. Next choose the level of education you plan to pursue. Next click on **MORE FILTERS** and select the Career Demand you desire. Your personality style will be filled in. Your Career Clusters will be listed based on your Matchmaker activity. Select **AT LEAST ONE** career cluster. Finally, select school subjects you most enjoy. Notice that every filter you add changes the # of Matched Careers in the blue box at the bottom. Click on that blue box with a number on it (mine was 63 careers) to see careers matched to your interests, personality and values.

19. You can further sort this list by using the drop down menu on the right just above the career icons. You can sort by Best Match, Alphabetical, Salary and Demand.

OVER
