

April & May 2020

For the past 5 years, when we have been in the building for the last 3 weeks of school, the last 11 days have been reading days for the Vietnam novel because normally these days are full of track meets, golf meets, Field Trips, Awards Assembly, etc. Every day is a completely quiet reading day. Every student has been able to finish reading the 2 Vietnam novels of choice in those 11 days because that's ALL we do! You have a few more than 11 days!

Pick a favorite reading place OUTSIDE and put your mind to it! Audio versions of both books ARE available on the website for each book!

These are great books!

Use your book and discussion question packets for all the quizzes!

Prove to YOURSELF one last time that you think enough of yourself to THINK FOR YOURSELF!! You can do it!
