

Who=whoever=he/she *If he works, use who
Whom=whomever=him/her *If him works, use whom

I don't know who/**whom** to trust. Trust him=whom

To who/**whom** shall I address this letter.

Address the letter to him. Him =whom

I don't care **who**/whom takes responsibility for this accident, but someone should.

He=who takes responsibility for this accident.

The young man tried to make a good impression on whoever/**whomever** he met.

He met **him**=whom.

I'm not sure **who**/whom it **was** on the phone.
(Be verb!! It was I, It was he)

I'd really like to know **who**/whom the artists **are**.
The artists are they= he, she, we, they
